

“Save the Date”

52nd ISOCARP LEGACY PROJECT SEMINARS - 2019

SDG 11, the New Urban Agenda, and its Legislative and Practical Implications.

The second set of seminars to be held as part of the 52nd ISOCARP Congress Legacy is set to take place in the following three provinces.

<p>30 September 2019 – Limpopo (Polokwane) 2 October 2019 – Free State (Bloemfontein) 4 October 2019 – Eastern Cape (Port Elizabeth)</p>
--

Time: 09:00 – 14:00
Venues will be confirmed

One of the objectives of these seminars is to expose South African Planners to current planning issues as per UN Habitat III, New Urban Agenda, Sustainable Development Goal 11 and the implication for SPLUMA implementation.

Speakers: Mr Arun Jain (Head of Planning and the Environment for the City of Bellevue) was a lead expert in the UN Habitat Urban SDG development process (Goal 11). Mr Jain will be focussing on UN Habitat III, the New Urban Agenda, and Sustainable Development Goal 11, whereas the local speakers, Dr James Chakwizira (Univen) – Limpopo, Prof Verna Nel (UFS) – Free State, and Prof Sijekula Mbanga (NMU) – Eastern Cape, will be focussing on the relevance to our own local environment and the implementation of Spatial Planning and Land Use Management (SPLUMA) – focusing on implementation, gaps and solutions.

Any enquiries can be sent to the 52nd ISOCARP Legacy Committee, email address ZRadebe@sacplan.co.za Tel: 011 318 0460 / 0437, Fax: 011 318 0405

Entrance is free but due to the availability of seats you will be required to register for one of the events.
